His Magnificence
Rector of the University of Warsaw
Prof. Dr. Alojzy Z. Nowak

On January 02, 2023 The Minister of Education and Science issued a decree increasing the amount of a professor's minimum salary to PLN 7210 per month. This amount directly translates into benefits for doctoral candidates, including those studying at doctoral studies.

In accordance with Article 200 section 2 of the Act of July 27, 2005 - Law on Higher Education (Journal of Laws of 2017, item 2183, as amended), remaining in force pursuant to Article 285 section 1 of the Act of July 3, 2018 - Introductory provisions of the Law on Higher Education and Science (Journal of Laws, item 1669, as amended), the amount of the doctoral scholarship should be at least 60% of the amount of the minimum salary of an assistant. After the change in the amount of the minimum salary of a professor, according to the regulations, the doctoral scholarship should be at least PLN 2163.

In view of the above, I would very much like to ask the Rector to issue an appropriate order and adjust the amount of the stipend to the minimum amount under the provisions of generally applicable law.
